Nixon Turns Against National Sales Tax

The best news for Americans in many a day was a Washington Star-News wire dispatch in Sunday's Arkansas Gazette reporting high Washington officials as saying that President Nixon has turned against a national sales tax.

The exact term is "value-added tax," something he favored earlier this year. It is the worst form of a national sales tax because the tax is added at every stage from manufacturer to wholesaler to retailer—a pyramided tax on turnover of goods, multiplying the stated rate, adding to price inflation, and inflicting a crushing burden on the poorest class of consumers.

Advisers brought the value-added tax to the administration's attention originally because it is widely used in Europe. But Europe has a lot of ideas America would be wise not to copy—and the value-added tax is No. 1 on the list.

The value-added tax is a perfect example of what this writer uncovered while researching for editorials in 1934 and 1935 advocating enactment of an Arkansas sales tax. What I learned—and warned against when the Hall 3 per cent state sales tax became law in March 1935—was that Spain enacted the first sales tax, but allowed it to grow into a turnover tax—until the tax became as much as 60 per cent of the cost of the necessities of life. The Spanish people rose in anger and destroyed the tax. The Gazette's Washington Star-News wire reports, however, that Mr. Nixon's reversal of stand on the value-added tax was because close study showed such a tax would work against his policy of reducing federal expenditures.

Any sales tax—particularly a pyramiding or turnover tax such as the value-added monstrosity—is politically painless, at least for a time. And, bringing in billions of new revenue, it would make Nixon's task of curbing federal expenditures almost impossible, his associates reported.

Arkansas has symptoms of corrupting the sales tax into a turnover tax, on which there will be a reckoning with the people sooner or later.

We don't want the same plague thrust on the entire nation.

Cuba will try trio

By GEORGE GEDDA

Associated Press Writer
WASHINGTON (AP) — Three men who hijacked a Southern Airways jet to Cuba nine days ago will be tried in Havana on various charges, including extortion, according to word reaching the State Department.

U.S. officials said the hijackers violated Cuban law when they threatened to blow up the plane if authorities at Jose Marti airport refused a demand to refuel the craft.

The incident occurred during the first of two visits to Havana by the hijacked plane in the 29-hour odyssey involving 30 passengers and four crew members. It was after the return trip to Havana that the three hijackers—identified as Henry Jackson, 25, Lewis Moore, 27, and Melvin Cale, 21—were taken into custody by Cuban authorities.

Discussing the latest developments in the case Monday, State Department spokesman Charles W. Bray said the Cuban decision to try the men does not necessarily mean rejection of a U.S. request for their extradition. He said it is not unprecedented for a country to try accused persons and then extradite them.

Democratic chairman clears way for resignation

WASHINGTON (AP) — The chairman of the Democratic National Committee has cleared the way for her possible resignation, and there are indications the struggle for party leadership is becoming a two-man battle.

Jean Westwood, who has run the party machinery since George McGovern picked her for the job last July, indicated Monday she may reverse her earlier stand and voluntarily step down.

"My own future," she said in

a statement issued by her office, "is subordinate to considerations about the future of the party."

The five-paragraph statement contained no reference to her previous insistence that she would resist efforts to oust her

at the Dec. 9 meeting.

The two men who appear to be emerging as principal contenders for chairman are former party treasurer Robert Strauss of Texas and George Mitchell of Portland, Maine, who directed Sen. Edmund S.

Muskie's unsuccessful bid for the Democratic presidential nomination.

Working on behalf of Strauss have been close associates of Sen. Henry M. Jackson of Washington and Hubert H. Humphrey of Minnesota and

AFL-CIO officials.

Mrs. Westwood "has a very warm feeling toward George Mitchell," said John English, general counsel at the DNC and a former Muskie strategist. "He's the kind of a fellow who would carry on in the fashion she would like. He is highly acceptable."

Alabama Gov. George C. Wallace made a move Monday to influence the future makeup of the party organization. His campaign organization announced it is opening a temporary office in Washington in preparation for the December meeting of the DNC.

"We are seeking to place as many people on the national committee whose thinking is in tune with the people as we possibly can," said Charles Snider,

national director of the Wallace campaign.

Democrats who think Mrs. Westwood should resign include the leadership of the Democratic Governors Caucus, various members of Congress, and members of the DNC.

A Strauss-Mitchell contest could precipitate a struggle between the conservative faction of the party behind Strauss against the more reform-minded, liberal element behind Mitchell.

However, all sources contacted Monday, including ardent Strauss backers, indicated that Mitchell is considerably more acceptable to all wings of the party than is Mrs. Westwood, who is closely associated with McGovern and his losing presidential campaign.

Quorum Court meets

Members of the Hempstead County Quorum Court Monday night listens as Perry Campbell, owner of the Hempstead County Ambulance Service makes a plea for additional financial support for the operation of the facility. The service is supported jointly by the county and the City of Hope. The

annual meeting of the county's justices of the peace was scheduled at night due to "numerous conflicts" with the court's members during the day, according to County Judge Finis Odom. (See story at right.)

Record budget is approved by JPs

The Hempstead County Quorum Court in an unusual night meeting Monday approved a budget for 1973 of \$107,128 — an increase of \$14,413.14 over the 1972 appropriations.

New appropriations approved by 23 of the county's justices of the peace in attendance include:

—\$6,000 for a Criminal Investigating Unit for use by the sheriff's office. That amount will be matched by federal funds.

—\$1,000 for salary for the county service office. County Treasurer Harry Hawthorne has been filling the post without pay for 20 years. The court approved a salary of \$150 per month.

—\$2,000 approved for the School of Hope, a local school for the mentally retarded. The school had requested \$4,000.

—\$470 appropriated for the Hempstead County Blood Bank.

In other action, the court voted to increase the yearly allocation for countywide ambulance service from \$4,000 to \$10,000, but declined to award a contract. Perry Campbell of Perrytown, owner of the Hempstead County Ambulance Service, requested the increase to coincide with an expected increase from the City of Hope in order to maintain the service.

The court approved the requested increase and left the awarding of a contract to the discretion of Judge Finis Odom.

Other increases approved by the court included a \$1,200 hike in the sheriff's expenses (from \$2,400 to \$3,600) and a jump in the appropriation for the County Health Office from \$10,000 to \$11,500.

On other fronts, the court balked at appropriating \$745.94 for continued membership in the Association of Arkansas Counties. The JPs also declined to continue support for the Hempstead County Child Development Center located at Hopewell School. Last year the center received \$2,000 from the county.

A first-time request by the Southside Child Development Center for \$2,000 was also refused by the court.

A proposed raise by the county extension employees (totaling \$800) was refused by the court, as was a \$600 request by the Red River Regional Council on Alcoholism.

County Assessor-elect Life Easterling requested a \$8,000 appropriation which included \$800 for aerial photos, \$400 for a part-time employee, and \$7,200 for an additional employee to assess property out in the county. The request was denied.

Judge Odom was authorized to construct additional parking spaces on the south side of the courthouse, and to purchase two radios for use by the weigh stations located in the county.

The annual reports made by all county officers were approved by the court.

Cost of living goes up

WASHINGTON (AP) — The cost of living, nudged by higher prices for clothing, rose by three-tenths of one per cent in October, giving the nation a 3.7 per cent inflation rate in the last six months, the government said today.

The Labor Department said the rise in consumer prices was three-tenths of one per cent both on an unadjusted and seasonally adjusted basis last

month, smaller than the September rise but still over the Nixon administration's target of reducing the inflation rate to at least 3 per cent by the end of the year.

Consumer prices in September increased by four-tenths of one per cent on an unadjusted basis and five-tenths on a seasonally adjusted basis.

More than a third of the increase in the October index was blamed on higher clothing prices. The department's Bureau of Labor Statistics said price increases for used cars, health insurance and property taxes also were contributing factors.

The bureau said that in the 11 months since President Nixon started his Phase 2 wage-price

control program, the cost of living has risen 3.5 per cent. It has gone up 3.2 per cent since August 1971 when the President imposed his freeze on wages and prices.

The report said the rate of inflation has worsened in the last three months, with prices rising at a seasonally adjusted annual rate of 4.1 per cent compared with 3.3 per cent in the previous three-month period. For the six-month span as a whole consumer prices have gone up 3.7 per cent.

The bureau said the higher prices were moderated by lower prices for beef, some fresh fruits and vegetables and gasoline.

Prices for fresh fruits, poultry and beef dropped, but not as much as usual at this time of the year, the department said.

Altogether, food prices rose by a small one-tenth of one per cent unadjusted, and two-tenths seasonally adjusted. The prices of commodities other than food climbed by a sharp four-tenths of one per cent, but with sea-

sonal influences subtracted, the department said, this amounted to a one-tenth of a per cent decline.

The index rose to 126.6 of the 1967 base, meaning that it cost \$12.66 to buy the same items that cost \$10 in 1967.

Nixon pondering new assignments

THURMONT, Md. (AP) — As he receives long-distance reports on crucial Vietnam negotiations, President Nixon is pondering new assignments for several Cabinet-level officials who want to stay on during his second term.

The chief executive began the second week of an extended stay at his mountaintop Camp David retreat Monday by holding a series of six meetings, then a working dinner, with aides and key appointees to discuss his government-shakeup plan.

Today it is more of the same—with one intriguing addition. That is a scheduled appointment with New York Gov. Nelson Rockefeller.

Rockefeller has been rumored to be in the running for such a major Cabinet post as secretary of State. But in advance of today's meeting, Press Secretary Ronald L. Ziegler said Rockefeller was "coming up to discuss reorganization matters, particularly domestic. He is not coming up to talk

about a Cabinet position."

One appointee reportedly under consideration for the post of Defense Secretary, Deputy Secretary of Defense Kenneth Rush, was to see the President today.

During Monday's series of mountaintop meetings, Nixon put aside his reorganization plans to receive reports from Henry Kissinger on his round of negotiations with the North Vietnamese in Paris. The White House said Kissinger telephoned and cabled his reports

about a Cabinet position."

Both men emerged smiling from their first meeting, waved to newsmen, but refused to comment. They met in a suburban villa 15 miles southwest of Paris.

Kissinger, Tho schedule 2nd meeting

By MICHAEL GOLDSMITH
Associated Press Writer

PARIS (AP) — Henry A. Kissinger and Le Duc Tho scheduled another meeting this afternoon after talking for more than five hours Monday about the Vietnam cease-fire agreement they are still trying to nail down.

Both men emerged smiling from their first meeting, waved to newsmen, but refused to comment. They met in a suburban villa 15 miles southwest of Paris.

Kissinger conferred with Pham Dang Lam, the head of the Saigon delegation to the Paris peace talks, Monday

night. A spokesman for Hanoi said similar close contact was being maintained between Tho and the Viet Cong's representatives in Paris.

Kissinger, President Nixon's chief foreign policy adviser, and Tho, a member of the North Vietnamese Politburo, reached general agreement in secret negotiations last month on the draft of a cease-fire agreement, but President Nguyen Van Thieu of South Vietnam has refused so far to go along.

Thieu's chief objection is that the draft does not require withdrawal of all North Vietnamese troops from South Vietnam. He

also contends that the council of Communist, Thieu and neutralist representatives that would be set up to supervise national elections in South Vietnam would in fact be the coalition regime which Thieu has said repeatedly he would not agree to.

Presumably these and other demands by Thieu are what Kissinger and Tho are arguing about.

Although Kissinger met for five days with Thieu after his negotiations in October with Tho, and Kissinger's deputy, Gen. Alexander M. Haig Jr., spent two more days in Saigon 10 days ago, a South Vietnam-

ese official there said Thieu now has asked President Nixon to receive a special envoy who would further outline Thieu's objections to the cease-fire draft.

The official said Thieu felt his position had not been clarified sufficiently despite his recent meetings with Kissinger and Haig.

In New York, Secretary of State William P. Rogers met with Foreign Secretary Mitchell Sharp of Canada to discuss the four-nation group proposed to supervise cease-fire. Canada, Indonesia, Poland and Hungary have been identified as the countries that will serve on the force.

Tank battle rages in Middle East

By THE ASSOCIATED PRESS
Fighting exploded on the Israeli-Syrian cease-fire line along the Golan Heights today with air raids, artillery duels and the first tank battle in the area since the 1967 Middle East war.

The Israelis claimed to have downed six Syrian jets in aerial combat.

The scale of the armored clash was indicated by claims of both sides to have knocked out 12 to 14 of each other's tanks.

Says FBI erred in shooting

MEMPHIS, Tenn. (AP) — The copilot of a Southern Airways jetliner hijacked to Cuba Nov. 10 says he believes the FBI erred in shooting out the plane's tires as it took off from Orlando, Fla.

Harold Johnson, wounded by the three air pirates who commandeered the plane, made the remark Monday after his release from a Memphis hospital to return home to College City, Ark., which is near Walnut Ridge.

"I don't think they should shoot the tires out unless the captain asks them to," Johnson said. He said there was no such request from pilot William R. Haas of LaGrange, Tenn.

"When the FBI shot out the tires, the hijackers sent me back to the cabin so they could get shots at the FBI or the fuel tank," Johnson said. "They had planned to shoot into the fuel tank and blow it up."

Johnson said he was shot in the arm as the DC9 took off from Orlando for Cuba after the hijackers accused him of giving the FBI a signal to start shooting out the tires of the plane.

Syria admitted losing one plane while Israeli spokesmen denied losing any.

An Israeli spokesman in Tel Aviv said armored forces knocked out 12 Syrian tanks. No Israeli tanks were destroyed and there were no Israeli casualties, he said.

Damascus radio, however, claimed 14 Israeli tanks were damaged in the fighting.

After earlier reporting that all Syrian planes had returned safely to base, the radio said one plane was downed in a dogfight and crashed in Israeli-held territory. The pilot bailed out and landed safely on the Syrian side, it added.

Damascus radio said 16 planes were involved on each side and that two Israeli planes were seen bursting into flames and going down behind the Israeli line.

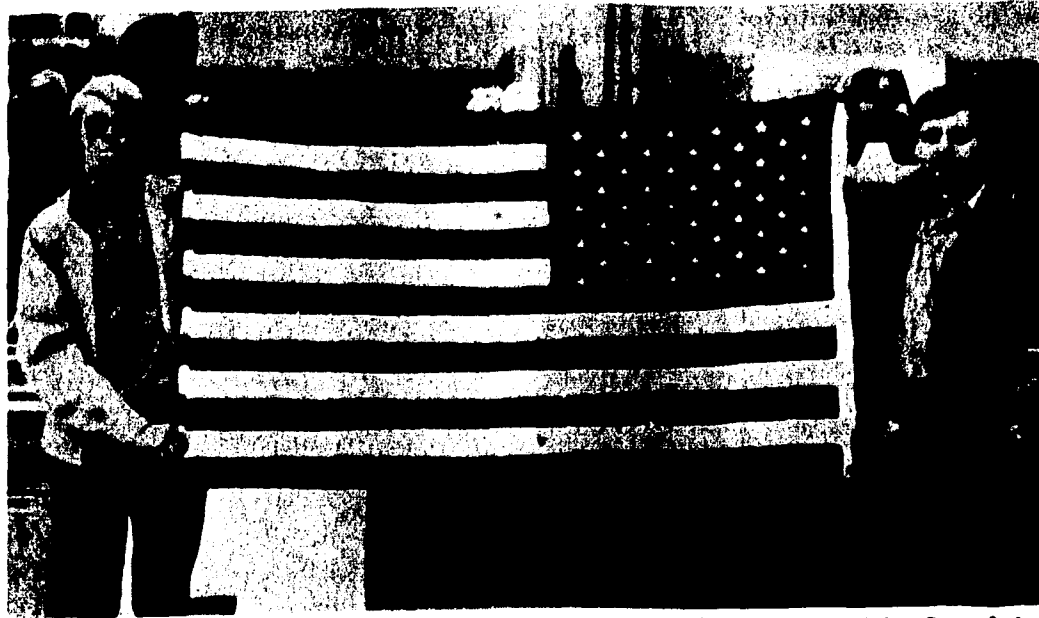

Israeli jet pilots shot down two MIG21s in early dogfights and then bagged another four later in the afternoon, the Israeli military command said.

The flareup came amid reports Syria's ally, Egypt, is preparing to break the cease-fire to force the big powers to take action to end the Middle East deadlock.

Egyptian President Anwar Sadat has met twice this week with Gen. Ahmed Ismail, war minister and commander in chief.

\$615,548 is misspent in state, U.S. office says

WASHINGTON (AP) — The U. S. Office of Education said Monday it had asked Arkansas to repay \$615,548 in allegedly misspent funds that were intended to be used for compensatory education of poor children.

The Office of Education identified Arkansas as one of eight states that it had asked to repay a total of \$10.2 million in allegedly misspent funds.

The office said letters asking for the payments were mailed out immediately after the Nov. 7 presidential election, raising to \$19.5 million the repayments sought from 18 states and Washington, D. C., during the last 14 months.

In addition to Arkansas, the states that have been dunned this month and the repayments requested are Alabama \$69,546; Kentucky \$296,378; Mississippi \$3 million; New Mexico \$5,429; South Carolina \$2.8 million; Tennessee \$2.3 million and Texas \$630,156.

The money represents spending under Title I of the 1965 Elementary and Secondary Education Act during the early

years of the program when federal officials admit guidelines were weak.

Almost \$15 billion has been spent in about 18,000 school districts since fiscal year 1966 to help children overcome learning handicaps resulting from poverty, neglect, delinquency and racial isolation.

Resignation of Demo chairman is favored by Governor Bumpers

LITTLE ROCK (AP) — Gov. Dale Bumpers said Monday he did not think it necessary for Jean Westwood to resign as Democratic party chairman on Dec. 9 when the party National Committee will meet but that she should ultimately resign in favor of new leadership.

The governor said he did not want to place a "timetable" on when she should resign. But, he suggested that she should not make any appointments to party positions, including the membership of the new charter commission that will revamp party rules.

"The new leadership ought to have the right to pick the new charter commission," said

Bumpers, who is chairman of the National Democratic Governors Caucus.

Asked about the possibility of a compromise under which Mrs. Westwood would remain as chairman beyond December 9 but leave the appointments to her successor, the governor said he was aware of "a lot of maneuvering going on around the country right now by people who are interested in the position who are trying to line up support for this position."

"All good Democrats are in-

terested in finding new leadership and getting on with the business at hand," Bumpers said. "Nobody wants a fight. Nobody wants to further fragment the party. So, if there are moves afoot to accomplish a compromise to avoid that, certainly it is a good thing."

"I certainly didn't want to be a part of pushing Mrs. Westwood into a corner or making her feel as though she had to defend her position," the governor said. "I don't feel that is the right thing to do."

Accord reached by Peron

By HORACIO FINOLI
Associated Press Writer
BUENOS AIRES (AP) — Juan Peron told a cheering crowd early today he had reached a "historic" accord with other Argentine political leaders for a united approach "in defense of the deserving Argentine people."

The 77-year-old ex-dictator, who returned Friday from 17 years in exile, spoke from the balcony of a suburban restaurant where he had met for nearly six hours with 50 political, union and business leaders.

Fifteen of the country's parties were represented, including the Radicals, the second largest party. The Peronists are No. 1. Peron gave no details of the agreement he said had been reached, but other political leaders who met with him said the conference was "very positive."

It was Peron's second major political conference within 24 hours. Both were designed to arrange a common front with other parties to balance the power of the armed forces, who have ruled except for two brief interludes since Peron was ousted in 1955.

The junta headed by President Alejandro Lanusse has called elections March 11. It also legalized the Peronist party and removed old criminal charges against Peron, making it possible for him to return home.

We dated for eight months and got real serious. I thought Patrick intended to marry me but when I mentioned it one night, he said he could never marry anyone because he had incurable cancer and it was only a matter of time, as the doctor said it was in his bones.

The next day he told me we'd better break up—he couldn't face my pity, now that I knew. I didn't put up much of an argument. But I cried a lot.

I went off to college, and when I came home, he was gone—not dead, just gone. No one quite knew where. I always felt guilty that I had not insisted on staying with him till the end. Sometimes I'd dream of him dying all alone.

It's been four years. I'm working now. Yesterday I literally bumped into—Patrick! He asked me to lunch and, when I expressed surprise at his good health, he confessed the cancer routine got him out of a lot of entanglements, back then.

I think his laugh was what did it: I stood up quietly, picked up my martini and poured it slowly over his head. Then I walked out.

No, I'm not going to ask if I was justified. I'm very proud of what I did. But yesterday I also realized I had

never quite gotten over Patrick.

Today I saw him waiting on "our" corner. So I stayed inside my office the whole lunch hour. Was I wise, or should she foolish, and start something up? He'll be around again: a girl senses these things. —NOT QUITE CURED

NOT:

By the time your letter reaches print, I'm pretty sure Patrick won't be waiting alone on the corner. Whether you're foolish or not depends on how much he's changed and how well you're in command of the situation. —HELEN

N.Q.C.:

Since you're "not quite over Patrick" you should find out for sure—so I vote for "foolish" too... which may be the smartest move you ever made.

A guy grows up a lot in four years, and if he comes back after a martini shampoo, well, he can't be all bad.

(But don't let him think he's all good either—until you're positive there will be no more tricks.) —SUE

Redskins continue winning

By HUBERT MIZELL
Associated Press Sports Writer
WASHINGTON (AP) — "Three cheers for the Redskins," sang the husky-voiced Washington football team.

Hogs prepare for Texas Tech game

FAYETTEVILLE, Ark. (AP) — Three quarterbacks — Joe Ferguson, Walter Nelson and Scott Bull — will work this week in preparation for the Razorbacks' game Saturday against Texas Tech, Coach Frank Broyles said Monday.

But Broyles would not say who would start. All three saw action in the 22-7 loss to Southern Methodist last Saturday.

The coach said the staff also was working with freshman quarterback Mike Kirkland, who is the Razorbacks' place kicker.

The Razorbacks worked out for an hour Monday.

Although no serious injuries were suffered in the SMU game, wide receivers Mike Reppond, Jim Hodge and Jack Ettinger were nursing bruises. All three are expected to play against Texas Tech.

"This game against Texas Tech means a great deal to us and I think the squad realizes this," Broyles said.

"Three cheers for the Redskins ... rah, rah, rah."

These are grown men, mind you.

"Hooray for Pat. Hooray for Pat Fischer," continued the off-key locker room chorus. "Hooray for Alvin. Hooray for Alvin Raymond. Rah, rah, rah."

The Redskins are the world's oldest, largest, highest-paid Boy Scouts. George Allen is as much their scoutmaster as the coach of the National Football League powerhouse.

Whalers down Nationals

BOSTON (AP) — New England Whalers' General Manager Jack Kelley credits his penalty killers for the spot the team is now in—in sole possession of second place in the East Division of the World Hockey Association.

For the second time in three nights the Whalers outlasted the Ottawa Nationals Monday night, winning 7-5 with the help of Tom Webster, John French and Ted Green, who tallied two goals apiece.

It was the only pro hockey game of the night in either the WHA or National Hockey League.

"It's good when you don't play as well as you can and still can win," Kelley remarked happily after the game.

The Whalers tallied four times in the decisive second period to take a 7-4 lead, an advantage Ottawa couldn't overcome. New England held a 35-25 shooting advantage.

yard march with an 18-yard touchdown pass to Larry Brown and later hitting tight end Jerry Smith on a 12-yard score.

A 10-7 Falcon halftime lead vanished amid the Kilmer barrage that put Washington into 21-10 command. Bill Bell kicked

goal by Bell that made it 10-0 as the Washington clientele squirmed in their seats.

Falcon runner Art Malone cooled his team's hot streak with a fumble that was covered up by linebacker Chris Hanburger.

Kilmer hit Roy Jefferson for eight yards and Charley Taylor made 14 on an end-around to set up a one-yard scoring charge by the incredible Brown. It was then 10-7, setting the stage for Kilmer's third period heroics that erased Atlanta hopes for an upset.

Brown muscled for five yards on his first carry of the game, hitting 1,000 for the season with four games to go.

'Pudge' Fisk AL's Rookie of the year

KEENE, N.H. (AP) — Carlton "Pudge" Fisk, the Boston Red Sox catcher who started the 1972 baseball season as a third stringer, is the American League's Rookie of the Year—the first unanimous choice in history.

The Baseball Writers' Association of America announced Monday that Fisk had received all 24 votes by a special committee. He joined Frank Robinson and Willie McCovey, both in the National League, as the only unanimous choices since the BBWAA began picking the best first-year players in the two leagues in 1949.

Fisk, who lives in this New Hampshire city a short distance from his parents' home

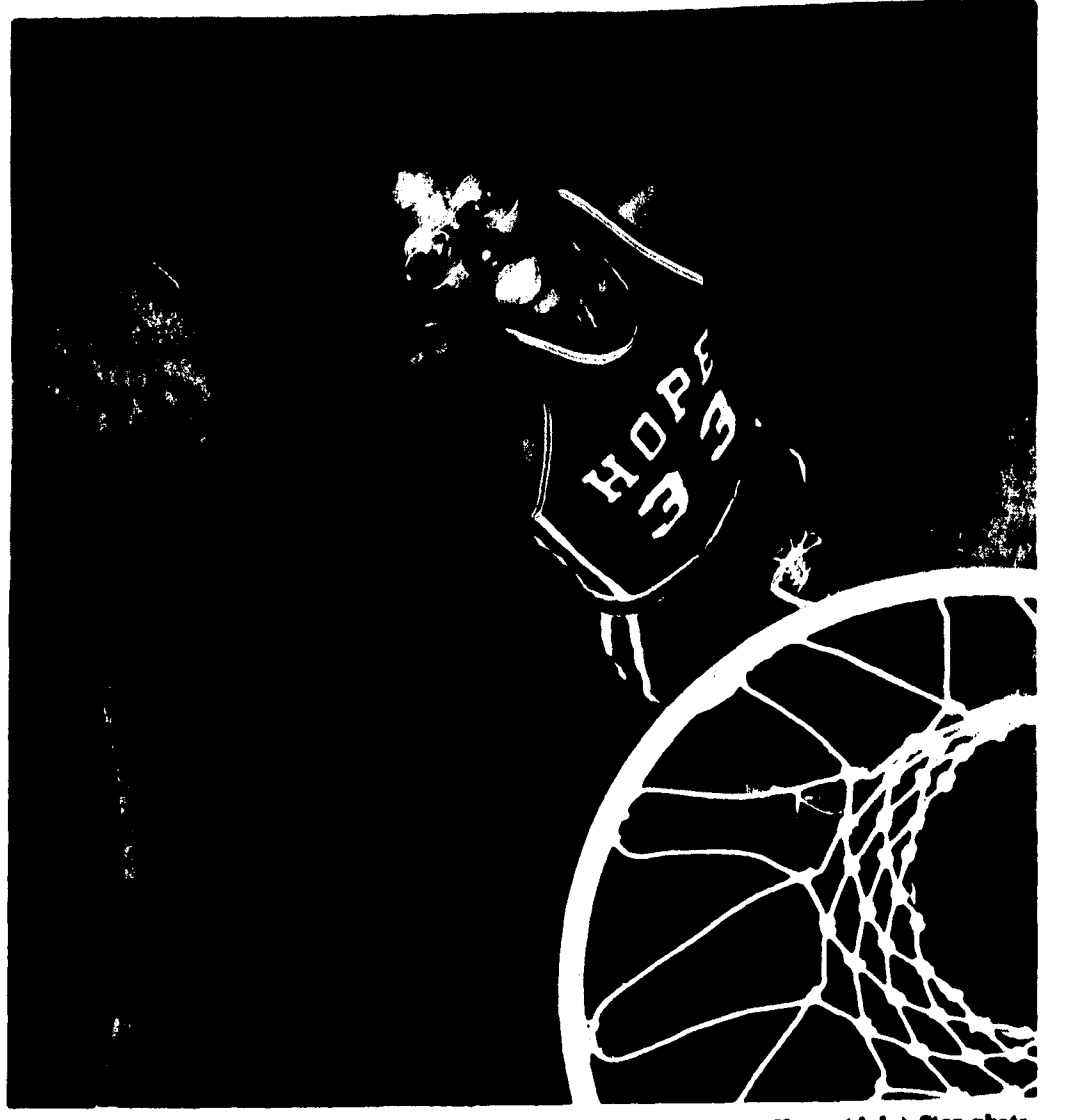

in Charlestown, was a runaway selection after hitting .293 with 22 homers and 61 runs batted in.

"This is a great thrill, a great honor," said Fisk, who was out of town visiting his sister, June, at Springfield College. "Now I just hope that I can keep it up and help the Red Sox win the pennant next year."

Fisk, who will be 25 just after Christmas, had brief trials with the Red Sox for two years and was awarded the starting job by Manager Eddie Kasko last winter.

However, he had problems in virtually every department in spring training, and, when the strike-delayed season finally got under way, he was rated behind Duane Josephson and Bob Montgomery.

Then Josephson was injured and Montgomery had trouble throwing anyone out on the basepaths. Fisk was put in the regular lineup and was spectacular, both with a booming bat and his rifle-like throws cutting down runners attempting to steal.

PREPARING FOR OPENER—Hope Bobcat Jimmy Smith sinks a basket during an afternoon workout at Jones Field House. Smith will see action tonight in the opening game of the season when the Bobcats meet Gurdon at Gurdon. (See article below.)

Bobcats open season

By RICKY FAWCETT
Star Sports Writer

Tonight in Gurdon the Hope High School Bobcats will open their 1972-73 season. Also playing will be the Lady Cats, who hope to extend their winning streak to three games.

While the Bobcats and Lady Cats play the Gurdon seniors tonight, the Bobkittens and Kitty Cats played the Gurdon junior teams last night in Jones Field House.

The Kitty Cats just could not keep up with the rugged pace of Gurdon and lost, 53-27.

Gurdon jumped to a quick 5-0 lead before the Kitty Cats got on the board at the quarter's end. Hope trailed 14-6.

Gurdon steadily increased their lead to 32-17 at halftime.

In the second half, the Kitty Cats played with determination, but were outgunned as the score read 58-27 at the final hour.

Janet Tropis lead Gurdon's balanced attack with 25 points. Karen Hatley scored 20 and Ima Gattin 13. Barbie Watson scored 16 for the Kitty Cats.

Later in the night, Charlie Young led the Gurdon junior

boys to a tight 43-41 victory over the Bobkittens.

The Bobkittens led throughout the game until Mark Asburn upset Gurdon ahead 39-37 midway through the fourth quarter.

Young increased the Go-Devil lead to four making the score 41-37, twenty seconds later.

The Bobkittens tried its recover their lost lead, but it was in vain as Gurdon won 43-41.

Young scored 14 points for the winners while Jimmy Williams topped the Hope scorers with 18.

Foster-Ali fight for high stakes

By ERIC PREWITT
Associated Press Sports Writer
STATELINE, Nev. (AP) — Around the corner from the nickel slot machines in the Sahara-Tahoe casino, Muhammad Ali and Bob Foster fight tonight for higher stakes and a possible shot at boxing's biggest jackpot—the heavyweight championship.

"I'm waiting for Joe Fra-

zier," said Ali, the former heavyweight champ, on the eve of his scheduled 12-round bout with light heavy champ Foster.

"I don't know what to expect from Foster, but he'll give me trouble for a few rounds," he said about his 33-year-old opponent, expected to weigh in at about 180 pounds.

Ali has predicted he'll stop Foster in eight rounds and says

The 24 players—12 offense and 12 defense—listed in alphabetical order:

Defensive back Randy Logan, Michigan; defensive end Greg Marx, Notre Dame; linebacker John Mitchell, Alabama; halfback Greg Pruitt, Oklahoma; flanker Johnny Rodgers, Nebraska; linebacker Jamie Rotella, Tennessee.

Offensive guard Ron Ruanak, North Carolina; offensive tackle Paul Seymour, Michigan; offensive tackle Jerry Sisemore, Texas; offensive end Barry Smith, Florida State; defensive back Brad VanPelt, Michigan State; offensive end Charles Young, Southern California.

Alabama took 'easy out'?

CHICAGO (AP) — Notre Dame Coach Ara Parseghian took a swipe Monday at Alabama's decision to go to the Cotton Bowl instead of the Orange Bowl but other coaches were much more generous about the choice.

Parseghian said that "Alabama took the easy way out" by choosing to face once-beaten Texas in the Cotton Bowl rather than taking on defending national champion Nebraska in the Orange Bowl.

Alabama's decision paved the way for Notre Dame, 8-1, to get a bid to play Nebraska in the Orange Bowl.

Parseghian said Bear Bryant's Alabama team had its sights on the national championship in picking the Cotton Bowl instead of the Orange, where Nebraska swamped the Crimson Tide 38-4 last year.

"I guess Alabama figures on beating Auburn and Texas for an undefeated season and then hopes that Ohio State beats Michigan and we beat Southern Cal," Parseghian said, "which

would leave Alabama the only undefeated team in the nation."

Bryant was not available for comment but Nebraska Coach Bob Devaney said he talked to the Bear by phone about the decision. "He said it was up to the players to make the choice where they wanted to go. He said: 'I think the seniors should have the choice because it's their last year to compete.' They chose to go to the Cotton Bowl."

"I'm not in any way criticizing Coach Bryant," Devaney said. "I don't think they are ducking anybody because he (Bryant) is going to play a tough team when he plays the University of Texas. They (Texas) played a tough game against Oklahoma and it seems like they are getting tougher every week."

Coach John McKay of Southern Cal said of the choice: "Everybody has to make his own decision, I hadn't even thought of it. I'm not especially surprised."

Bobby Hull says he will play despite new court order

CHICAGO (AP) — Hockey star Bobby Hull says he will continue to play for the Winnipeg Jets despite a Circuit Court order restraining him from playing with the new World Hockey Association team.

"I just found out about the court order," Hull said Monday night in Houston where the Jets are scheduled to play the Houston Aeros tonight. "I understand I would be enjoined from playing in Illinois. But as far as I'm concerned, I will be playing the game here tomorrow night unless I hear different."

The action against Hull, formerly of the Chicago Black Hawks of the National Hockey League and now a player-coach for Winnipeg, stems from a suit by the Black Hawks to keep Hull from playing for the Jets.

Judge Francis T. Delaney signed the order Monday restraining Hull from playing for the WHA following the league's

failure to post a \$2.5-million bond with the U.S. District Court in Philadelphia.

A federal judge had earlier enjoined the NHL from instituting any litigation designed to enforce the reserve clause in the contracts of NHL players, including Hull's contract with the Hawks.

But Judge A. Leon Higginbotham in Philadelphia set Monday as the deadline for the WHA to post the bond to insure against damage to the NHL if his ruling was reversed.

Hull's attorney, Lawrence Eiger, said that 10 WHA teams had promised to post \$250,000 each for the bond but that so far only two teams had complied.

Eiger told Judge Delaney that all the money probably would not be posted until Dec. 4. He said that some of the bond documents were being held up by a mail strike in Alberta.

The seating capacity is just over 2,000, and the audience should see the theater's toughest show since entertainer Ann-Margret suffered a few broken bones in a recent fall on stage.

The fight will be shown on theater television elsewhere in the United States and abroad.

"I wanted the fight because of the big money. But I think I can beat him and there will be more money," said Foster, a sheriff's deputy in Albuquerque, N.M., between ring appearances.

Neither man would appear to have a shot at the heavyweight title until at least next spring. Frazier will defend Jan. 22 in Jamaica against George Foreman, the unbeaten fighter from Hayward, Calif., ranked No. 2 behind Ali among the contenders.

Southern Cal maintains runaway lead

By HERSHEL NISSENSEN

Southern California's unbeaten Trojans maintained their runaway lead over Alabama in The Associated Press college football ratings today while Auburn replaced Notre Dame for the only change in the Top Ten.

Alabama and Michigan, the

siana State and Ohio State but Auburn inched up from 11th to 10th by trouncing Georgia 27-10 while Notre Dame slid from 10th to 11th after barely holding off Miami, Fla., 20-17.

People in the News

HONOLULU (AP)—Elvis Presley says he will steer clear of ideological promotions on a worldwide television concert he plans to originate from Honolulu Jan. 14.

"I won't try to push any messages or anything," he told newsmen Monday. "I'll just offer good entertainment."

Rocco Laginestra, president of RCA Records, said the concert will be carried by satellite to at least 34 countries, reaching an audience of an estimated 1.5 billion persons.

Laginestra said negotiations are under way to include Russia and mainland China among the countries to which the telecast will be beamed.

NEW LONDON, Conn. (AP) — L. Patrick Gray, the acting director of the FBI, has been hospitalized for a possible intestinal obstruction, but doctors

say there are no plans to operate at this time.

Gray was taken to Lawrence and Memorial Hospital Sunday night after complaining of abdominal pains while at his home in Stonington, Conn.

A spokesman for the hospital said Monday night that Gray was in satisfactory condition and resting comfortably.

NEW YORK (AP) — CBS Television newsman Walter Cronkite has had a small, benign tumor removed from his neck.

CBS disclosed Monday that the operation took place at Lenox Hill Hospital last week and that the 56-year-old newsmen had been advised by his doctors to stay at home and rest for a few days.

LOS ANGELES (AP) — Actor Peter Lawford is home to-

day after undergoing surgery at UCLA Medical Center early this month to remove an pancreatic cyst. Lawford, 49, told newsmen after leaving the hospital Monday he hopes to be recovered fully by Christmas.

MILWAUKEE, Wis. (AP) — Sen. William Proxmire has started what he says will be a 1,200-mile walk-and-run journey through Wisconsin with an early morning jog along Milwaukee streets.

The Wisconsin Democrat took several breaks at dawn Monday to shake the hands of workers arriving for work at factories along his route, greeting constituents with "Hi, I'm Bill Proxmire."

The 67-year-old senator said the first 200-mile leg of his trip, from Milwaukee to Lancaster in southwestern Wisconsin, will take some nine days.

Gov. Edwards is termed a racist

NEW ORLEANS (AP) — Gov. Edwin Edwards was denounced Monday as a "murderer" and a "racist" at a memorial service held for two students slain on the campus of Southern University in Baton Rouge.

Barbara Allen, a black community organizer and one of the speakers, drew her loudest response from the crowd of several hundred when she declared, "Edwards is a Murderer!"

Earl Picard, president of the Student Government Association at Southern's New Orleans branch (SUNO), said the deaths were not accidental, adding, "Everything that happened was caused."

Picard attacked the Southern University system as "a racist approach to education for blacks, controlled by a lily-white state Board of Education that appoints Uncle Tom administrators."

Irvin Heard, a SUNO student, said, "It should be made clear that the time has come for black people to take a definite stand against their oppressors."

Referring to the student protests on both campuses, Heard

said, "We must build a relevant black institution, one that will speak to the needs of black people. We are committed and we will fight this one down to the wire. We will not compromise."

As the audience cheered, Heard added, "We know the threat of death is everpresent."

Before the program began, a student who identified herself only as a member of the SUNO Propaganda Committee, said a student boycott would be resumed at SUNO after the Thanksgiving recess.

A boycott was called Oct. 27 and classes were suspended Nov. 1 when a group of militants seized the SUNO administration building to support their demands. The takeover ended nine days later.

Dr. Ann Sims, dean of academic affairs at SUNO, said last week that committees of faculty members and students had reached accord on the grievances and that classes would reopen on Nov. 27.

The Propaganda Committee member said progress with the grievances was stifled and "set back to Oct. 27 by racist Gov. Edwin Edwards when he ordered the murder of two black students in Baton Rouge."

She said the class boycott would continue because of this and other factors.

Guste urges restraint in SU investigation

By TOM JORY
Associated Press Writer

BATON ROUGE, La. (AP) — Louisiana Atty. Gen. William Guste says he hopes officials will avoid friction-producing activity while a 12-member commission investigates the deaths of two young blacks during a student-police confrontation at

Southern University. "I think the president of the university and other public officials should take no precipitous action pending this investigation," Guste said Monday as he announced plans for a full-scale probe of the shooting.

"We believe there is need to restore calm and peace and need for a time of prayer and reflection so that we can regain our balance."

The attorney general said the panel, including six blacks, will begin next Monday its inquiry into the confrontation last Thursday at the steps of the predominantly black school's administration building.

Denver A. Smith of New Roads and Leonard Douglas Brown of Gilbert, each 20, were killed.

South would have a most difficult rebidding problem after North's one-heart response if he did not have a forcing reverse bid at his disposal. He wouldn't want to try raising hearts to three; a two-heart bid would be inadequate; a two no-trump call unsound with the glaring weakness in spades and a jump rebid in clubs would indicate a six-card suit or longer.

After the reverse bid the six-club contract was reached because North decided to trap his partner.

At first glance it would appear that the slam depends on a 3-3 diamond break, but it could make be-

One thing to be thankful for at Thanksgiving is that they haven't yet extended the yule shopping season back to July 4.

WIN AT BRIDGE

East forced to unguard

cause one opponent held four cards in each red suit and wound up being hopelessly squeezed.

East won the spade lead and led back a trump. South won in his hand; ruffed his last spade and ran off the rest of the trumps while discarding two hearts from dummy.

He didn't know if diamonds would break or if a squeeze would develop. All he knew was that in either eventuality he would make his slam and there was no other line of play.

East had to make a total of four discards. The first two were spades. That was easy. The next was a trifle tougher, but he did let a heart go. When it came to the fourth and last one he was a gone gosling. He had to unguard one of the red suits and the slam came home.

What would cause a stillbirth

DR. LAWRENCE E. LAMB

By Lawrence Lamb, M.D.

Dear Dr. Lamb—When a 25-year-old girl with a normal healthy record became pregnant her blood pressure rose. Eventually she gave premature birth to a stillborn child which was pronounced dead eight hours prior to delivery. Now, two months later she is pronounced "healthy and normal." What factors might have caused this irregular prenatal condition as well as the death of the child?

Dear Reader—Pregnancies really aren't such simple matters and there are a number of things that can go wrong. The most likely cause of the type of problem you describe is "toxemia of pregnancy." For some reason the mother develops a toxic reaction to the changes of pregnancy and all of the complicated mechanisms that are involved in this are not understood.

Typically the blood pressure does rise sharply and the mother will start gaining excessive weight, usually because of retention of fluid. Characteristically, after delivery the blood pressure returns to normal and the woman's health is normal again. The possibility of toxemia of pregnancy is why obstetricians make such a great effort to have their expectant mothers keep their weight down and restrict their salt intake. The general belief is that if a woman starts gaining weight rapidly in pregnancy and retaining fluid she is much more likely to develop this type of response.

Toxemia of pregnancy can also be responsible for the death of the baby. It seems to be a metabolic response of some type. It is not a contagious or infectious disease.

Dear Dr. Lamb—Is it true that medical science has shown that a people should have five to six hours between meals? I have read that anything remaining in the stomach six hours after a test meal was thought to be abnormal. Is it also true that eating between meals insults the human mechanism and has much to do with the efficiency of the

mind and body?

Dear Reader—No, it is not necessary to have a five to six hour interval between meals. In fact, in certain medical conditions where small meals are recommended, patients are often advised to have five or six small meals a day. Eating between meals isn't any problem unless one wants to control his calorie intake. Then the additional calories associated with snacking can become important.

What one eats has a great deal to do with how fast the stomach empties. Liquids go straight through the stomach usually, particularly if they are at room temperature or warm. Foods that are principally carbohydrates or sugar will be processed more rapidly and eliminated from the stomach. Protein foods are eliminated less rapidly and fat foods may stay in the stomach longer than six hours undergoing their initial digestion process.

Cold foods slow down the movement of the stomach and may cause food to stay in the stomach longer. It follows that cold, fat foods are likely to stay there the longest.

For ordinary medical diagnostic studies when a person takes a special test mixture for X ray studies on an empty stomach, it is expected that the stomach will empty out the test meal well before six hours.

Send your questions to Dr. Lamb, in care of this newspaper, P.O. Box 1551, Radio City Station, New York, N.Y. 10019. For a copy of Dr. Lamb's booklet on low blood sugar, send 50 cents to the same address and ask for "Blood Sugar" booklet.

Driving Drinkers

Peter the Great tried to encourage sobriety among 18th-century Russians by insisting that anyone jailed for drunkenness had to wear a "medal for hard drinking" around their necks all the time they were incarcerated. The medal weighed 18 pounds.

Why You Need Extra Cash In Addition To Ordinary Hospital Insurance

Anyone who has been in the hospital recently knows ordinary hospital insurance—even Medicare—simply will not cover everything. You have to pay many "extras" out of your own pocket—and it can add up to hundreds of dollars in a frighteningly short time.

But even if your ordinary hospital insurance covers most of your medical and hospital bills, what about the bills that keep piling up at home?

If you, as husband, father and breadwinner are suddenly hospitalized, your income stops, your expenses go up. Even if you have some kind of "salary insurance" it probably won't come close to replacing your full-time pay.

If your wife is suddenly hospitalized, who will look after the family, do the laundry, the marketing, the cleaning? You may have to take time off from your job—or hire full-time domestic help—to take care of things at home.

If one of your children is suddenly hospitalized, you will certainly spare no expense. You wouldn't even think of the cost.

If you're over 65 and are suddenly hospitalized, Medicare, fine as it is, won't pay all of your hospital expenses or any household expenses. Most senior citizens won't want to use up savings they may have taken a lifetime to accumulate... they want to retain their independence and not become a "burden" to their children or community.

Without "extra cash" protection, a hospital emergency may leave you with savings gone, debts you can't pay, peace of mind shattered—even your recovery can be seriously delayed by money worries!

How The Plan Protects You And Your Family

Now, with the unique "extra cash" protection of The Doctors Hospital Plan you can avoid these worries because you can be assured of extra cash income when you or any covered member of your family goes to the hospital. No matter how large your family, no matter what your age or occupation and without any qualifications whatsoever, you can choose any of the four low-cost plans shown at right to meet your family's special needs.

In addition to the "extra cash" hospital benefits, you get all these valuable "extra" features:

Your Maximum Cash Benefits Actually Grow Each Month

Here's a wonderful "plus" benefit you enjoy, no matter which plan you choose: When your policy is issued, your insurance provides up to \$10,000, \$7,500, or \$5,000, depending upon the plan you select. This is known as the "Aggregate of Benefits" in insurance language—what we call your maximum cash benefits.

Then, every month your policy is in force, a sum equal to your regular monthly premium (including your first monthly premium) is actually added to your maximum—your maximum grows each month! Similarly, when you have claims, your benefits are subtracted from the maximum.

You Cannot Be Singled Out For A Rate Increase Or Cancellation

For as long as you live and continue to pay your premiums, we will never cancel or refuse to renew your policy for health reasons—and we will never cancel, modify or terminate your policy unless we decline renewal or modify all policies of this type in your entire state or until the maximum (Aggregate of Benefits) of your policy has been paid.

You Get Valuable Extra Cash That's Yours To Use As You Wish

The cash benefits you receive from The Doctors Hospital Plan are all in addition to any other insurance benefits you receive—hospital, major medical, or even Medicare. Every cent is tax-free... and all of it is paid direct to you. Spend it, use it any way you please, without having to account for this cash to anyone. Of course, you may have only one like policy with Physicians Mutual.

Enroll For Only \$1

Regardless of your age, the size of your family, or the plan you select, you get your first month for only \$1.00. If you choose the All-Family Plan or One-Parent Family Plan, all your eligible children are included—even future additions. (See box at right for low rates.)

HUSBAND-WIFE PLAN

HERE ARE YOUR MONTHLY RENEWAL PREMIUM RATES

Your Age	Individual Plan	Husband-Wife Plan	All-Family Plan	One-Parent Plan
Under 65	\$3.95	\$ 6.45	\$ 7.95	\$5.95
Woman 65 or Older	\$7.45	\$ 8.95	\$10.45	\$9.45
Man 65 or Older	\$7.45	\$ 9.95	\$11.45	\$9.45
Husband-Wife Both 65 or Over	—	\$12.45	\$13.95	—

On all plans, your "extra cash" benefits are paid from the very first day you enter the hospital, for as long—and for as many times—as you are hospitalized, right up to the maximum (Aggregate of Benefits) of the plan you select.

Naturally The Doctors Hospital Plan will cover any new accident or sickness. New accidents are covered immediately. After your policy is 30 days

old, you are covered for new sicknesses which begin thereafter. There are only these exceptions: pregnancy or any consequence thereof (unless you have the All-Family Plan or the Husband-Wife Plan, each of which covers maternity after the policy is in force for 10 months), war, military service, mental disorder, alcoholism or drug addiction, or conditions covered by Workmen's Compensation or Employers Liability Laws.

You are free to go to any lawfully operated hospital of your own choice, with these exceptions only: nursing homes; convalescent, extended-care, or self-care units of hospitals; or Federal hospitals.

SPECIAL EXTRA BENEFITS!

Whichever plan you choose, you get: **30% INCREASE IN YOUR CASH BENEFITS**... if you or any member of your family is hospitalized for cancer (including Leukemia and Hodgkin's Disease), heart attack (acute myocardial infarction, coronary thrombosis and coronary occlusion), or stroke (apoplexy).

If you choose the All-Family Plan or the Husband-Wife Plan, you get in addition: **DOUBLE CASH BENEFITS** if both you and your wife are injured and hospitalized at the same time: You get twice the amount—\$1,499.40 A MONTH (\$49.98 A DAY)!

Important: Here is another real "plus"—if you have been told that anyone in your family is "uninsurable"! Even if one of your covered family members has suffered from chronic ailments in the past—ailments that come back again and again, or are likely to recur—you will be covered for those pre-existing conditions after your policy has been in force for one year!

IF YOU ARE 65 OR OLDER

Even though Medicare will pay most of your hospital expenses it will not cover all of your needs. Now you can get the extra protection needed during the high-risk senior years without any qualifications just by using the form below!

It's a fact that people over 65 go to hospitals more often and have larger hospital bills. That's exactly why they need extra cash protection! And that's why some hospital plans won't accept them or charge rates beyond their means. But The Doctors Hospital Plan not only accepts you regardless of age, it gives you easy-to-carry protection that is within your means. To find your monthly renewal premium, check rate box at left.
